Bar Hill Parish Council
2 The Mall
780456

Clerk available - weekday mornings
(answerphone in operation at all other times)

The monthly meeting of the Parish Council was held on Thurs. 15th January 7.30 pm at 2 The Mall.

Lorry parking

Parish Councillors expressed surprise that the County Council was at last recognising the problem of lorry parking, and concern that no mention specifically regarding Bar Hill's overnight lorry parking problem had been made. The Clerk would invite Andrew Lansley MP to view the situation one evening and enlist his support. The Parish Council was already arranging for signs stating "Private Road - no overnight parking" to be erected at the end of Viking Way.

Youth Facilities

Permission has been granted for land at the front of the village to be utilised as the site for a BMX ramp. The youths concerned will be attempting to obtain funding from the lottery. The Parish Council was very disappointed that the County Council had again announced a delay in the Farmhouse building work schedule. The work specification had now been completed and sent out to various contractors for their quotations.

Play Equipment

Four quotations had now been received and final arrangements were being made to compare them. The school and Playgroups will be contacted to ask children for their choice of some equipment.

Planning Applications

There had recently been some differences between the opinions of the District and Parish Councils with regard to planning applications. The Chief Executive of the District Council would therefore be looking at this situation, with specific regard to the two most recent applications.

Dog Fouling

New regulations introduced by S. Cambs. District Council cover open areas and footpaths within villages, and areas alongside roads with a speed limit of 40 mph or less. Residents are again reminded that dogs are not allowed to foul on public areas within the village.

Development at Longstanton

The Parish Council were asked to comment on the new development proposed at Longstanton. Councillors were extremely concerned that the A14 could not take any extra traffic; some other route would need to be provided. The Bar Hill roundabout becomes congested with traffic at present, especially in the evenings, and could not cope with additional traffic from the Longstanton development. These comments would be passed on.

Thought for the Month

It's not long until Shrove Tuesday and the annual - if sometimes unsuccessful - ritual of pancake making.

I'm one of those people who loves pancakes. For me the best sort are firm and crisp around the edges, moist and soft in the middle, finished off with sugar and lemon. Delicious! I'm fortunate enough to be married to an expert in the field, so this year promises to be as satisfying as ever.

Pancake making is an old tradition, going back hundreds of years. Its origins date back to a time when people fasted during the Christian season of

Lent, beginning with Ash Wednesday. On the eve of the fast, people feasted and used up some of the good things from the kitchen such

as butter, milk, and eggs. It was also a night of great fun, with pancake races being popular, before the time of more sober reflection began.

It may be that in your home you enjoy the fun and festivities of Shrove Tuesday but have never stopped to think about what follows next. In the Church we think of Lent as a good way to get ready for Easter, when we celebrate Jesus' resurrection from the dead and the great joy this brings. During Lent we prepare for this by thinking about the reason for his death on the cross, our own sin and that of the world. That way we begin to understand more fully the depth of God's love in sending Jesus to us and we can respond more properly in worship and praise at Easter time.

Perhaps this year, after scraping the last remains of pancake from floors and ceilings, you might just stop and pause to consider what it's all for, as a way of helping us to get ready to meet afresh with Jesus, the one who we know is risen from the dead and who is now alive forever more.

With my prayers and warm regards.

Gary Renison.

Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Bar Hill Residents,

I would like to take this opportunity to introduce myself as your new Community Beat Officer. By the time you read this the Residents' Association AGM will have taken place and hopefully I will have had a chance to meet some of you.

An overview of last year's crime showed that over 35% of total recorded crime was criminal damage. This is a high figure but one which can be reduced with a successful partnership between police, residents, local business and Neighbourhood Watch, but to make this work I need to hear your views! I know that differing opinions are held but perhaps it is time for a fresh start and a look at ways to provide recreational opportunities for the Village children.

I can be contacted at Histon Police Station 01223 358966 (ask to leave a message) or voice mail (I will listen to all your messages!).

Wishing you all a good and happy 1998.

PC 1187 Richard Newman

The Doorstep Service

Coming soon to Bar Hill Library

Do you enjoy books and reading? Do you have a day to spare each month? Would you be interested in choosing and delivering library books as a volunteer Library Visitor? If the answer is 'yes' to all these questions, then Cambridgeshire Libraries Service would like to hear from you! The 'Doorstep Service' aims to help local people unable to use a library because of mobility problems or ill-health. If you would like to know more about what you can do to help, please contact Hilary Firth, co-ordinator, The Doorstep Service, Ascham Road, Cambridge CB4 2BD, 01223 718358

Thank you

It was wonderful to see so many people enjoy the Church Services over the Christmas period.

The Church would firstly like to thank everyone who contributed so generously to the Chernobyl '98 Holiday appeal which now stands at over £700.

The Church has also been asked to thank everyone who donated children's Christmas presents at the Gift and Crib service. Home Start were amazed at the quantity and quality of the presents and say that the receiving families were extremely grateful.

Neighbourhood Watch

There will be a meeting of Neighbourhood Watch in the Village Hall on Thursday 23rd April at 8.30pm. The police will be in attendance and there will be an opportunity to meet the new Police Liaison Officer for Bar Hill - PC Richard Newman. It is hoped that all people interested in Neighbourhood Watch will attend this meeting.

Dear Editor,

During the past 10 years Bar Hill has suffered severe problems caused by overnight parking of lorries from various parts of the UK and overseas. The results of this have been air and noise pollution, litter, rubbish, human excrement and damage to property.

The Bar Hill Parish Council has, during this time, made numerous requests to Cambridgeshire County Council Transport and Environmental Health Departments, both directly and through our elected County Councillor. Alas nothing has been done on our behalf.

Now, thanks to the Parish Council's approach to the Cambridge Evening News, publicity is being given to these problems. Perhaps someone will now listen and we might at long last obtain some action from the County Council.

The solution is simple. The erection of 'No Overnight Parking' signs and a restriction order for the perimeter road will give the police power to act.

At Cambridge & Huntingdon Health Authority we had been encouraged by earlier statements from the Government on its stance on tobacco. However, we are disappointed that the Government has now submitted to the sporting and tobacco lobby on the issue of tobacco sponsorship and Formula One racing. The adverse effect this will have is on the European Union's bid to ban advertising and sponsorship in Europe, which is now in grave jeopardy.

Smoking is the largest cause of preventable death and illness in the UK and 599 Cambridge and Huntingdon residents die unnecessarily each year from tobacco related disease. Furthermore, preliminary results from the 1996 Household Survey show that smoking is on the increase, particularly among women. As a Health Authority we have a responsibility to promote public health.

Cigarette advertising seems to increase children's awareness of smoking and encourages them to take up the habit. A Government study of world-wide advertising bans found that bans were followed by significant falls in smoking of four to nine percent. If the UK achieved the lower figure, 4000 lives would be saved each year.

We can only conclude the Government is more committed to protecting sport and employment than to preventing premature death; health is not as high on its agenda as these other issues.

We are concerned that the Government's recent action will make it more difficult for the public, especially young people, to take seriously any of its future statements regarding health. If you agree with our views, we ask you to write to Tessa Jowell, Minister for Public Health, 79 Whitehall, London SW1 2NS or your local MP.

Dr. Ron Zimmern, Director of Public Health

Pre-School Playgroup

Our aim is to enhance the development of the children placed in our care. Sessions are run by our friendly and experienced staff, Heather, Barbara and Jenny.

Our *Playtots* session for children 18 months - 2½ years and their parents/carers offers an ideal introduction to Playgroup. These sessions are pay-when-you-come.

Our general sessions are open to all children aged 2½ to school age. Each session begins with the children sitting together and answering "yes" to the register. This is followed by a brief explanation of the session's topic. The children choose from the activities in our **craft room** which include painting, cutting out, sand/water play and modelling.

There are also more structured activities including pencil control, basic maths and occasional cooking lessons and excursions. A well-stocked book corner is open for the children to enjoy.

After approximately 45 minutes the session moves across to our **play room** which is designed to help develop the children's agility, co-ordination and imagination through pretend play with a wide range of activity toys/equipment, train set and playhouse. We also have lots of puzzles, games, etc.

This is followed by a shared fruit/drink time. The sessions finish with a story and singing time.

Our session times are:-

Mon, Wed & Thurs.	9.15 - 11.45am
Tues. 'Play Tots'	9.30 - 11.00am
Tues	1.00 - 3.30 pm

We aim to provide a wide range of experiences for children aged 3 & up, such as art & craft, coordination, construction and imaginative play and many other creative, educational activities. After milk & fruit more varied activities are arranged. We have a safe fenced-in play area & garden which is used for the larger activity toys in the summer. Children also enjoy the occasional cookery lesson and nature walk. Each session ends with a story or singing.

Please note that sessions will now be held in the Community Lounge rather than the School Studio. Times remain the same.

A new pricing structure has been introduced. Full details of this have been circulated to all current members. In short, there is no longer a reduction for hiring toys for two weeks, but we are offering a discount if toys are hired for 4 weeks or longer.

Our AGM will be held on **Thursday 12th March at 8pm in the Community Lounge**. We are looking to elect at least 8 new Committee members who are prepared to help out at sessions, to replace those members who will not be standing for re-election this year. If at the AGM there are not enough Committee members to enable the Toy Library to continue, a proposal will be made that the Toy Library will close with immediate effect, and all toys will be sold. Please let any of the current Committee know if you are interested in joining the 1998 Committee.

After the formalities are over, there will be a demonstration and a chance to try a range of Body Shop products. There will be a chance to buy on the night, so don't forget your cheque books.

The Nearly New Sale will take place on April 25th in the School. If you are interested in helping please let us know.

BAR HILL SPORTS & SOCIAL CLUB

HAPPY NEW YEAR !!

Christmas and New Year seem such a long time ago now, I ought to spend time bringing you up-to-date with various events since my last article.

Spooks, Ghosts, Witches, Vampires and Ghouls were all present at our two evenings celebrating Halloween. Our fund raising for "Children in Need" raised nearly £200.

A very successful evening "Rocking 'N Rolling" to Cloud Nine in the Village Hall proved yet another success.

The now traditional trip to Twickenham for the annual Varsity Match between Cambridge and Oxford had an ironic twist to it this year; it included a full sight-seeing tour of London, Tower Bridge, Canary Wharf (we even saw the proposed Millennium Dome), Downing Street and even a glimpse of Jonah Lumo being filmed on an open top London Tour Bus! However, I am pleased to report, following our lunch break in Chiswick (adjacent to the Fullers Brewery no less) and an excellent game of rugby football where, of course, Cambridge won yet again, we returned safely to Bar Hill some four hours after leaving Twickenham and visiting most of the Southern Counties, (if only the driver had asked for directions home). We eventually returned to the Social Club for last orders - stamina indeed.

Perhaps the highlight of our pre-Christmas entertainment was our venture of "Jazz on a Sunday" with the Cambridge Jazz Company. This proved to be very popular and the atmosphere created by both the band and the audience was nothing short of amazing. Watch out for future jazz events.

The Christmas raffle, once again, re-wrote the record books, selling over £3,000 of tickets and having 90 prizes. Congratulations to Andy Moore who won £500 worth of holiday vouchers and Jethro who won his own playstation - also to Roger who won the flight over Cambridge in a Tiger Moth!

The New Year's Eve party saw us entertained by Bob Marshall. Restricting entrance to Members only created a comfortable atmosphere for drinkers and dancers alike.

Finally, Christmas would not be Christmas without a Pantomime and of course Father Christmas - we had both! Over 60 children attended, all visit-

ing Santa in his "Grotto". I have it on good authority from the man himself that all the children behaved impeccably and his chats with them were most informative, alas he would not tell me more!

Even further into the future is the Millennium celebrations; anyone wishing to help organise or discuss appropriate celebrations for the turn of the Century please contact Lesley Sadler, Secretary. It is proposed to hold the first meeting late February, early March of this year to co-ordinate the celebrations and events.

Forthcoming events include Valentines Night (14 February), Pancake Day (24 February), St David's Day (1 March) St Patrick's Day (17 March), St George's Day (23 April), coverage of the Five Nations Rugby on the big screen television begins in February and this year includes games on Saturdays and Sundays.

At our last meeting, the Committee agreed to purchase more new games and videos for the Children which are all available from behind the bar.

New chalkboards are scattered around the Club advertising promotions and forthcoming events. See Sue for details of two theatre trips to London.

Happy Hours (The Recycled Youth Club)

Our Chairman and the committee extend their New Year greetings to all members of Happy Hours and to all of Bar Hill. So

another year has gone by - where does the time go? Happy Hours is now celebrating its ninth year and although the numbers have sadly gone down in recent weeks we still number 86. We welcomed a new member, Helen Collins - glad you could join us and a sincere welcome from all the members. Regretfully we lost two members in recent weeks, Betty Bridgeman and Eric Coniec.

Two major events were celebrated in November and December. Our birthday party was a huge success, entertainment provided by Olwyn's son; most enjoyable. The Chairperson wished to extend her thanks to all the committee members who worked so hard to provide a wonderful meal and again to Olive Taylor for a magnificent cake. Thanks indeed. Our Christmas Party was a roaring success. This year it was held in the Moat House. They certainly did us proud, food in abundance, musical entertainment, a happy sing-song and dancing to the organist. Happy Hours would like to thank the following companies for their most generous donations of money or gifts for our Christmas Raffle:- Domino Ltd., Tesco, Kitchen Smiths, Moat House, Master Flooring, Ceramics, Forbuys and our Vera Hammond from the Happy Hours Club. The organisation of the party and raffle was again undertaken by Sid Hunt to whom we are eternally grateful for the efforts he puts into Happy Hours. Thank you Sid from all of us. The gifts from all these companies certainly rounded off a most memorable party and let's hope we can continue these for the years ahead.

I wonder if like us you send and receive lots of Christmas cards. Do you too, sometimes say to yourself that as you have not seen the recipient for years should you not bother to send any more? I have to say we send cards to people we met on holiday years ago and if they rang our front door bell, unless they told us who they were, I'd never recognise them! In a card for someone we've not seen for many years, we received the following poem and we rather liked it. Needless to say, its contents have ensured that we have not removed any names from

our lists!

*We have a list of folks we know, all written in a book,
And every year when Christmas comes we go and take a look,
And that is when we realise that these names are a part,
Not of the book they're written in, but of our hearts.
For each name stands for someone who has crossed our path some time.*

*And in that meeting they've become the rhythm in each rhyme,
And while you may not be aware of any special 'link',
Just meeting you has changed our lives more than you think.*

*For once we've met somebody, the years can not erase
The memory of a pleasant word or of a friendly face.
So never think our Christmas cards are just a mere routine,
Of names upon a Christmas list, forgotten in between,
For when we send a Christmas card that is addressed to you,
It's because you are on the list of folks we are indebted to.
For we are the total of the many folks we've met,
And you happen to be one of those we prefer not to forget.*

Christmas Carol Singing

On a very cold Tuesday just before Christmas over 20 people turned out for our Christmas carols. As you well know, our effort this year was to provide equipment for the Addenbrooke's Premature Baby unit. In just under one hour we raised £94.16, which included a donation of £6.10 from the lovely ladies of the WI. Thank you ladies. One hour's carol singing on that bitterly cold evening was quite enough for those 'oldies'. Our Chairperson wishes to thank those who braved such a terrible night, God Bless you. Our collection couldn't have gone to a better cause. A cheque of £100 is being sent to the childrens' hospital.

1998 Forthcoming events

Don't forget we are planning to go for a five day holiday to Llandudno in April so come and enjoy yourselves.

We have a couple of items which we would like to dispose of and would welcome a small donation: a four wheeled shopping trolley (which has been hardly used) and a two ringed electric table top cooker.

Colts Football

A very wet Christmas and New Year period has meant that at the time of writing this article there have been only two games since before the 'festivities' commenced and having looked at the pitches on the Village Green and School Playing Field, mud wrestling competitions would seem to be more appropriate! It therefore goes without saying that there is not a lot of action to report upon, and that League positions have not changed a great deal since the last BHN. Hopefully there will be something to report in the next edition as, in particular, the League Knock-out Cup gets underway in late January/early February for most teams.

I have watched many Colts games over the last few years and what still amazes me is the attitude of some parents towards the youngsters on the pitch. There clearly is an expectation amongst a few that their sons are the next Ryan Giggs or David Beckham, when clearly what most Colts Clubs, including our own, are trying to achieve is that all players enjoy their game. In this way it is hoped that we can develop and encourage skills. The recent introduction by the Football Association of mini-league football for Under 10s is the first official step down this route and will be extended over the coming years. To those parents who perhaps are a little impatient about their sons' abilities I record here a poem that I saw recently and which I would ask all to consider.

*The ball nears his feet, he kicks and he misses
A groan from the crowd, some boos and some hisses
A thoughtless voice - "Take off the bum"
Tears in his eyes. This is no fun.
Tempted to shout or groan?
Remember, it's a boy there alone
A boy, don't forget
And not a man yet.*

The Colts New Year Disco proved to be another resounding success, and a big thankyou goes to the three organisers, Ruth Fordham, Debbie Carminati and Jane Silk. We would also like to record our thanks to Forbuoys, John's Fish Shop and Tesco for donating Draw prizes.

Our next 'big' social event is on 14th February, when a Valentine's Disco (70's night with Fish & Chip supper) is being held in the School from 8pm until midnight. Tickets, at a very reasonable £7 each, are on sale now from all Colts managers and

committee members. This is an adults only event and there will be a licensed bar on the premises.

Just a reminder of the managers and committee members:

Diary of a Badger, by Ol' Brock

I peer from the entrance of my sett. Above, the sky is clear with a million stars twinkling. The air outside is cold, I would prefer to stay put inside with my mate, in our grass lined sleeping chamber, but I have to eat. The ground is cold, but not yet frozen, so tonight maybe a few earthworms and slugs will provide a tasty treat.

I sniff the air. Nothing seems out of the ordinary, so I slowly emerge into the outside world, still sniffing for anything that shouldn't be there. Safe, I stretch and yawn and ponder which way I will go tonight - left, to the Village, where I know people leave saucers of food for me - or right, towards the pond, where the ground will be damp and I will have more chance of a tasty meal. I went left last night, so right wins, the pond it is.

As I'm trotting along the track, I make a note of anything that might be different or out of place. So far so good, the ditch presents no problem, even with water flowing in it - the recent rain being very welcome - keeping the ground soft - making it easier for me to get the worms that live in the top few inches. A real treat they are!

Drink cans, crisp packets and discarded cigarette packets litter the footpath, why do humans leave them everywhere? They're no good to eat, I've tried. In a drink can recently I saw a vole that had got inside to have a look (they being inquisitive little creatures) but couldn't get out again. His

alarmed squeaks were most distressful as I trotted on my way. Sorry I can't help, but I have to find food as well.

Arriving at the pond, I have a few more sniffs. All is OK although a dog fox has passed this way recently, his scent being very strong. But I have no fear of him. The pond is a good place for me. There are frogs and toads in the Spring. Frogs are easy meat, but toads need a little more preparation, having toxic glands in their skin, but I can turn them inside out ... leaving the toxic skin behind and eating the delicious meat.

But this is winter so no frogs or toads yet, so I continue to forage to see what's about. A little later, after having found and eaten five juicy earthworms, a few snails and a couple of black slugs, I go on my way, which will eventually take me back to my sett.

After a few more miles, I arrive home. It might just be a few holes in the ground, but it's home to me. It hasn't been a bad night, I stopped several more times to eat on the return journey. Near the other village a human leaves a small mound of peanuts for me. After leaving them he stands behind the hedge watching me... and while I'm eating I'm watching him. Having eaten my snack, we both go our different ways, satisfied.

So now I snuggle down into the dried grass in one of the many chambers in my sett, and with a full belly start to dream of even fuller bellies in the spring zzzzzz.

Scouts

helping young people get the most out of life

Happy new year - Not for Scouts in Bar Hill. The situa-

tion regarding leadership has now reached crisis point. Their only leader has a new shift work pattern which means he is only available alternate weeks. We have a temporary arrangement in operation until Easter, but it can't continue after then. We really must have leaders - and soon - otherwise the Scout Troop will be forced to close.

There have been a lot of complaints recently about teenagers 'hanging around' the Village. Is anyone prepared to help provide them with an alternative?

Please note - The next **Jumble Sale** will be Saturday 28th March 2.00 pm - 4.00 pm.

THE GUIDE ASSOCIATION

Bar Hill District

1997 ended with end of term Christmas parties in the units, ranging from the Rainbows who dressed in themed costumes - a lot of fairies and a little Santa, while one Guider looked the part as a snowman - well done Claire, to an Australian beach party for 2nd Bar Hill Brownies. The Guides paid their annual visit to the Travellers Rest for a meal.

We were pleased to join the Scout Association for a Carol Service on the 14th December, which was so well attended many of the children sat on the floor. Scout and Guide Leaders played "Silent Night" on the hand chimes, with hardly any practice, but did extremely well. I bet the children didn't realise what talented people their Leaders are. The collection was donated to the Chernobyl Children's Charity.

The New Year has seen the girls and ladies going to pantomime and the biannual Cambridge Gang Show, at which there were more Guides than usual involved - our girls next time?

The next big event in the Guiding calendar is Thinking Day on Feb. 22nd, which is when we remember fellow Association members around the world. This year Bar Hill will host an afternoon of crafts, songs and games for girls from all sections of the movement in Bar Hill, Over & Willingham. This will be followed by a Church parade Service for Guide & Scout members and their families and friends, as the same day is celebrated by the Scout Association as Founders Day - when Baden Powell was born. So if you have even been a member of either group why not join us in Bar Hill Church at 3pm

Our Tuesday Rainbow unit has spaces for any girls between 5 and 7, so if your daughter would like to join other girls having fun, why not consider coming along. For more information about this or any other details about guiding in Bar Hill please contact Kathy Jacklin on 781740

Dancing their way to Success

During 1997 pupils from the Helene Jones School of Theatre Dance were successful in achieving another 100% exam pass rate.

Over 600 exams were taken in Ballet, Tap, Freestyle/Jazz and Gym with many pupils achieving top marks. 35 pupils received the much coveted "Blue Riband". The adult tappers continue to excel with highest marks in Bronze, Silver & Gold.

The baby ballet class all successfully achieved their First award and have now moved up to the next Grade, creating spaces for the new term's intake. This class is available for children aged 2-4 years. Parents are welcome to stay and participate in this class. So come on ladies, come and keep fit with your toddler!

The preparatory grade Ballet and Tap classes have proved so popular that we have inserted two new classes into the timetable. If your child is between 4 and 6 years old and has been waiting for a place at the School, there are now places available.

All the classes are designed with fun in mind and are taken by the principal, Helene Jones, who is an experienced qualified teacher. Every pupil has the opportunity to take exams in each subject and to participate in the annual show, which is held at the Mumford Theatre in October. For more information please ring Helene on 202060.

The Sixty Minute Marriage

"Wise and witty. Full of down to earth advice that works"

(Lynda Lee Potter, Columnist, Daily Mail)

Just one commendation for The Sixty Minute Marriage by best-selling author and international speaker, Rob Parsons. This highly successful seminar from Care for the Family is coming as a local large screen presentation to Bar Hill, with free creche to boot (subject to early booking).

The Sixty Minute Marriage is wise, practical and sensitive. With honesty and humour Rob Parsons takes a fresh look at a universal subject. Packed full of advice and entertaining real life examples, he faces problems and pressures that can affect every relationship today. Issues tackled include:

- * Five myths about sex
- * How to argue without causing World War III
- * How divorce could affect your children
- * Why cutting your credit card in half can help to save your marriage
- * How to deal with a partner who just won't talk things through

Fiona Castel said, "I was thrilled when Rob told me that he was going to commit those principles to video. Now you have the opportunity to enjoy this brilliant communicator on video, at one of these local showings."

The Sixty Minute Marriage will be at Bar Hill Church on Tues. 3rd March from 7.30-9.45 pm. Tickets cost £3 (£2 concessions), including refreshments and workbook, and are available from Swee Kim 200527 (evenings)

Can you Care?

Caring people are wanted to help families with children with physical and/or learning disabilities.

By looking after children for anything from an occasional few hours, an overnight stay, weekend or part of the school holidays, you can offer the parents a much needed break and the children an enjoyable change.

You don't need any special qualifications, just lots of energy and understanding. Whether you are single, married, divorced, working or not working we'd like to hear from you.

You will need to be assessed and approved as carers for Cambridgeshire County Council. In return you will receive training, support and expenses for the care given.
